View Prosthetics Billing Information User Manual

Overview

Introduction

This **View Prosthetics Billing Information User Manual** is for Patch RMPR*3*96. This patch provides Prosthetics GUI (graphical user interface) windows for the **View Prosthetics Billing Information** feature.

The Prosthetics and Billing users will be able to do the following with this patch:

- Search for data and display data by a range of dates.
 - Sort and rearrange the view; display data in a custom view.
 - Print the display.
 - Convert the display into a Microsoft Excel file (for more complex sorting capabilities).
-

Audience

These Release Notes are geared towards two audiences. The **Vista Sign-on** window will appear with different functions according to which type of user is accessing the Billing information. The two audiences for this document and the **Vista Sign-on** window include:

- Billing users – Section 1
 - Prosthetics users – Section 2
-

Data displayed

The data that is displayed on the **View Prosthetics Billing Information** window includes the following:

- Site
 - Create Date
 - Delivery Date
 - Patient name
 - Social Security Number
 - Insurance
 - Coding Errors
 - Item Description
 - Quantity
 - Total Cost
 - HCPCS
 - HCPCS Description
 - ICD
 - ICD Description
-

Section 1 - For Billing Users

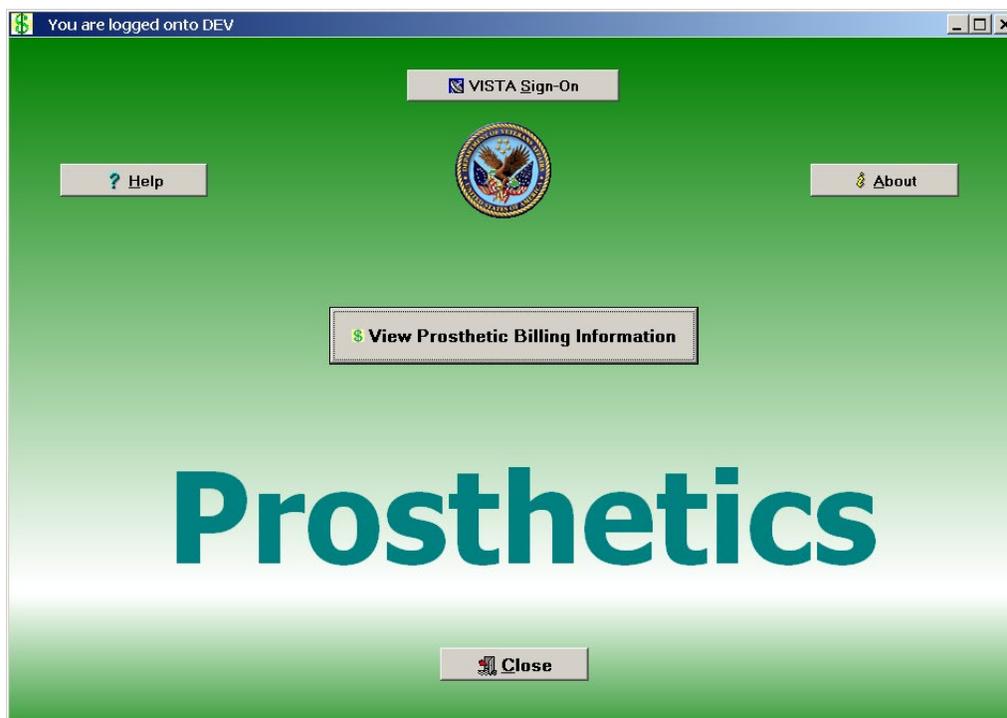

Billing Main Menu Window

Billing Main windows

Below is the **Prosthetics Main Menu** window where Billing users can first sign-on to VISTA (using the **Vista Sign-On** button) and then access the **View Prosthetics Billing Information** window. The Billing users will see a “*green dollar sign*” icon on the desktop to select the Prosthetics feature.

Note: Please see the **Prosthetics Main Menu User Manual** for more detail information regarding VISTA Sign-On instructions.

Prosthetics Main Menu

Billing button

Click the **View Prosthetics Billing Information** button and proceed to Section 3.

Section 2 – For Prosthetics Users

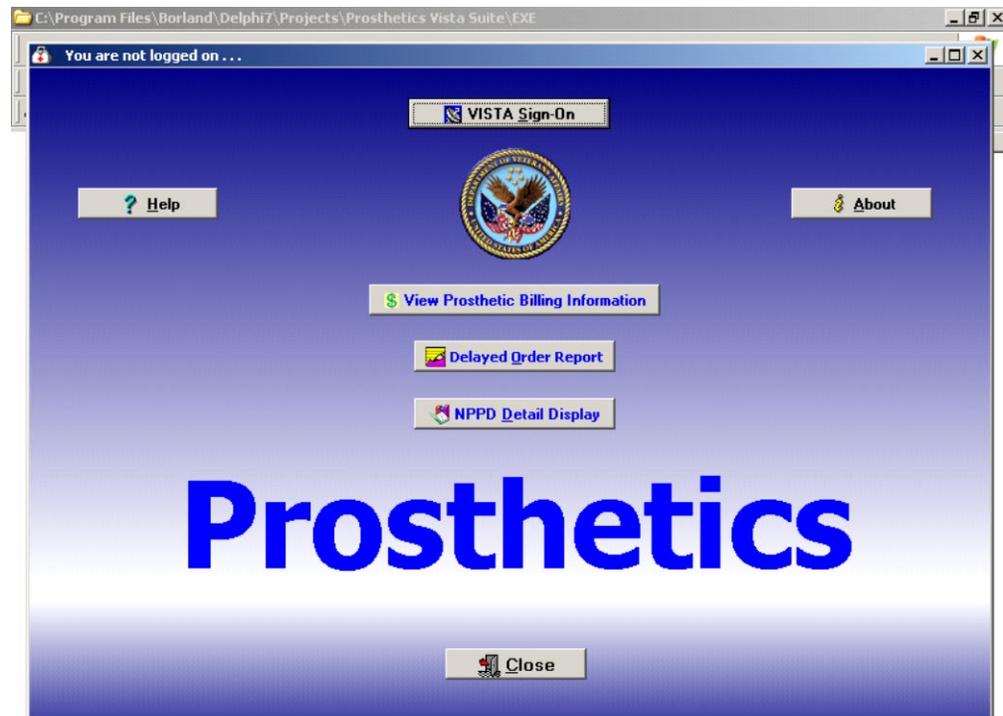

Prosthetics Main Menu Window

Prosthetics Main Menu Window

Below is the **Prosthetics Main Menu** window where Prosthetics users can sign-on to VISTA and then access the **View Prosthetics Billing Information** window. These users also have access to other Prosthetics features.

Note: To access this application, you will double click on the **Prosthetics VISTA Suite** (*medicine bag*) icon on desktop. Please see the **Prosthetics Main Menu User Manual** for more detailed VISTA Sign-on instructions.

Prosthetics Main Menu

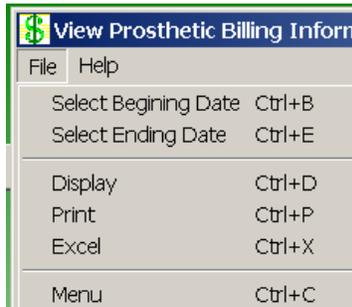

Billing button

Click the **View Prosthetics Billing Information** button and proceed to Section 3.

Enter a Date Range

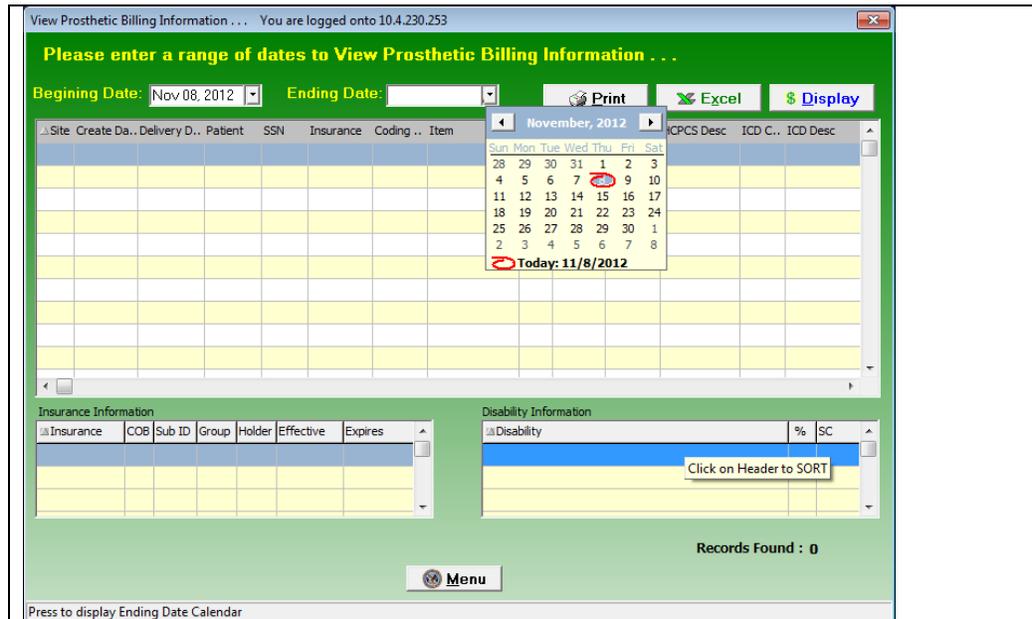

Date/Calendars After you have successfully signed on to VISTA, and the **View Prosthetic Billing Information** window appears, you must select the date range that you want to view. Enter a **Beginning Date** and an **Ending Date** by clicking on the drop-down list boxes next to the respective fields. A calendar displays as shown below.

Note: The software will sort by the **Create Date** field of the Prosthetics Purchase Order or Stock Issue. It does **not** sort by the **Delivery Date** field (the date paid).

Shortcut: Press the <Ctrl> key + key for the Beginning Date and the <Ctrl> key + <E> key for the Ending Date to display the respective calendars. You can also click the **File Menu** and the **Select Beginning Date** or **Select Ending Date** option from the list.

Calendar for date range selection

Continued on next page

Enter a Date Range, Continued

Selecting a date range

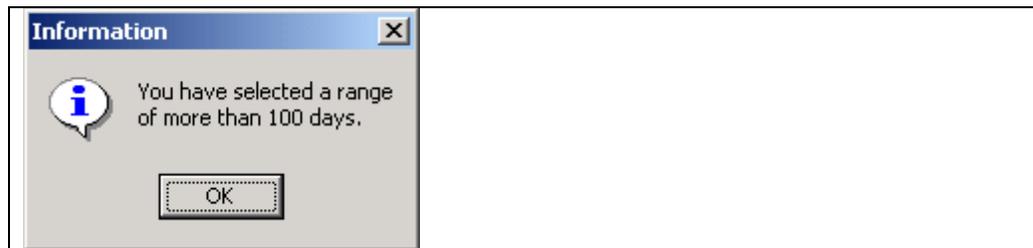

The calendars display with the current date circled in red shown at the bottom of the calendar. You can accept the current date by clicking on it. You can also change the date by the following methods:

Change the...	Description
Day	Click on the actual day of the week in the calendar.
Month	Click on the month at the top of the calendar to display a list of all months and select one from there. You can decrease or increase one month at a time by clicking the left or right arrows.
Year	Click on the year and an up and down arrow button displays for you to increase or decrease the year.

Number of Day Restrictions

You are restricted to a date range of less than 100 days. If you select a date range outside of this 100 day parameter, the following dialog message box displays:

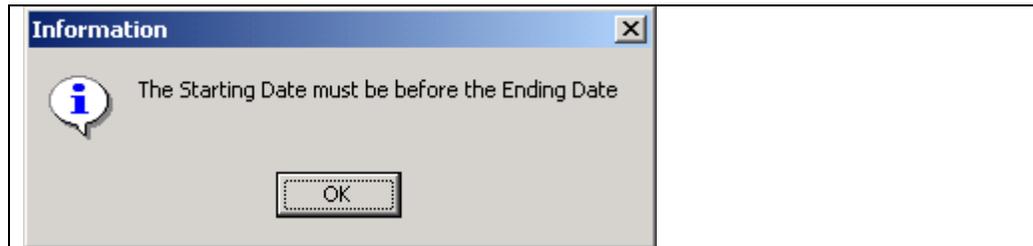

Date Range Message box

Start Date before End Date

If you accidentally entered an incorrect date range, you will receive a warning message. For instance, if you enter a start date that is after the end date, the message below will display. Click the **OK** button and reselect your date range.

Start/End Date Message

Display the Prosthetics Data

Display the data

Once you have selected the date ranges, click the **Display** button to reveal the data within that date range. (You can also click the **File Menu** and the **Display** option.) A progress bar activates, and the button name changes to “*Searching*” while the system is retrieving records. (A long date range may result in a long search time.)

Recommendation: The larger the date range selected, the greater time it will take to search, sort, and display the data. We recommend that you sort by a short date range (5-10 days) and perform the sort early in the morning or later in the day when your VISTA system is less active.

Shortcut: Press the <Ctrl> key + <D> key.

Change Data Display

Changing the display of the data...

You can manipulate the layout of the view in the **View Prosthetics Billing Information** window for both viewing as well as printing purposes as follows:.

- To enlarge a column, click and drag a cell border.
 - To sort on any column, click on the header to sort it in ascending order.
 - If you click on the same column again, it will sort it in descending order.
-

Refresh data

If you have changed the sort order, you can refresh your data by clicking the **Display** button again.

Note: Refresh does not reset any column resizing that has been done.

View Column Descriptions - Site, Dates and Patient Data

Site The **Site** column displays the VA facility where the veteran was treated and where the Prosthetics transaction was created.

Create Date The **Create Date** is the date the transaction (Purchase Order or Stock Issue) was created and posted to the Prosthetic veteran's record (2319).

Delivery Date If the **Delivery Date** field is blank, this indicates that Prosthetics has **NOT** paid the item; therefore an assumption is made that the veteran may not have received the item.

The **Delivery Date** is **not** the date the veteran received the item; it is technically the date the Purchase Order was closed or the date the Stock Issue transaction was posted to the 2319.

Patient The **Patient** column contains the veteran's last name and first name. Only Non-Service Connected transactions display for the requested date range.

SSN The **SSN** column displays the patient's Social Security Number (SSN).

View Column Description - Insurance Information

Insurance for a patient

The **Insurance** column displays health insurance information from the patient's VISTA record.

If there is no health insurance information in the patient's VISTA record, it displays "Nothing Found" in the **Insurance** column.

If health insurance displays, then the most recent insurance entered into the patient's VISTA record will display.

Asterisk

If there is an asterisk (*) in the **Insurance** column, this indicates that there is more than one insurance listed for the patient. If there is no asterisk (*), then there is only ONE insurance listed for the patient in the VISTA record.

Click on that line item to display the insurance information in the box below.

Sorting Tip

You can sort on the column headers within the **Insurance Information** box to group items together for easier review. For instance, you can click on the **Effective date** column or **Expires date** column headers, and this will group items for reviewing the most recent insurance.

Effective date column sorted

View Column Descriptions - Coding Errors

Coding Errors The **Coding Errors** column is to alert Billing users of a *possible* error. Errors could be any of the following:

- Inactive HCPCS
- Inactive ICD codes
- Use of VA unique HCPCS codes.

The **Coding Errors** column checks the HCPCS code to see if it was valid at the time of service, and if not, then the word “HCPCS” is shown in red as well as the “HCPCS Description” is shown in red. This also applies to the inactive ICD Codes.

Example: If there is a red HCPCS displayed in the **HCPCS** column, then the **Coding Errors** column will display “Alert HCPCS” for Prosthetics or Billing users. This will provide a mechanism to alert users to review this billing information.

Sorting Tip

You can sort on the **Coding Errors** column by clicking the column header to group items for review.

View Column Descriptions - Item Information

Item definition The **Item** column displays an Item or appliance kept in the Pros Master Item file. This column displays the IFCAP Item description of the Item issued to the Veteran.

~R~ in the Item column An “~R~” displayed in the **Item** column represents a **Repair** item. The **HCPCS Description** column should explain what was being repaired.

The **Item** column is the “*Brief Description*” entry that is printed on the purchase order transaction and appears on the 2319 record. The *Brief Description* is entered to define the item.

Tip: You can sort on the Item column by clicking the column header to group items to review all Repair items together.

Item column sorted – Repair items grouped together

The screenshot displays the 'View Prosthetic Billing Information' application. At the top, it prompts the user to 'Please enter a range of dates to View Prosthetic Billing Information' with 'Beginning Date' set to Jan 01, 2004 and 'Ending Date' set to Mar 15, 2004. A table lists various prosthetic items, including BLANKET, ELASTIC SUPPOR, POSTERIOR INTF, PURPLE BAG, PURPLE BLANKET, and PURPLE KNEE BR. The 'Item' column is sorted, and repair items are marked with '~R~' in the 'Coding' column. A yellow box highlights the 'ICD C., ICD Desc' columns. Below the table, there are sections for 'Insurance Information' (listing CIGNA, MEDICARE, and UNITED HEALTH) and 'Disability Information' (listing BRONCHITIS, CHRONIC, SCARS, and NEUROSIS, DYSTHYMIC DISORD). The status bar at the bottom indicates 'Records Found : 1255'.

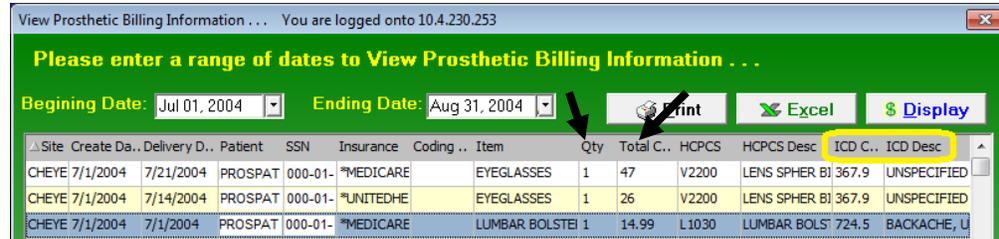

View Column Descriptions - Quantity and Total Cost Data

Qty column

The **Quantity** column provides the number issued of that Item to the veteran. This is the quantity based on purchasing (not units).

Note: For Home Oxygen, it is a payment unit not a billing unit.

Total Cost column

The **Total Cost** column represents the cost of the issue.

View Column Descriptions - HCPCS and HCPCS Description Data

HCPCS definition

The HCPCS acronym stands for Healthcare Financing Administration Common Procedure Coding System. The HCPCS code represents an item or service. The Prosthetics staff selects the HCPCS code when the transaction was created.

Red HCPCS

If the HCPC Code and HCPCS Description in the **HCPCS** and **HPCPS Description** columns are red, that represents a HCPCS Code that has a coding error as defined by an Inactive HCPCS.

This provides an alert to Prosthetics and Billing users as this will affect billing information.

Asterisk in HCPCS column and Calculation Flag

If there is an asterisk in the **HCPCS** column, this indicates that there is a calculation flag.

A calculation flag determines whether or not a HCPCS is used as a Main Component to display the entire cost of a purchase, when multiple items within the purchase make up a whole (e.g., when purchasing a limb or surgical implants).

View Column Descriptions - ICD and ICD Description

ICD definition International Classification of Diseases (Ninth Revision) -A coding system designed by WHO, (World Health Organization). ICD is the official system of assigning codes to diagnoses and procedures associated with hospital utilization in the United States.

The ICD is used to code and classify mortality data from death certificates. VOLUMES 1-2 contain diagnosis and procedures. VOLUME 3 is used for statistical, research and re-imburement purposes.

Records Found : 2533

Section 4 - Printing

Print the View Prosthetics Billing Information Window

Print the data You can print the **View Prosthetics Billing Information** data after you have finished your sort by column heading. Click the **Print** button to send this information to your local printer, and click **OK** on the **Print** dialog box. (You can also click the **File** Menu and the **Print** option.)

Note: The layout of the print will be the same as the display. You can select a specific printer to print the **View Prosthetics Billing Information** window.

Change to Landscape

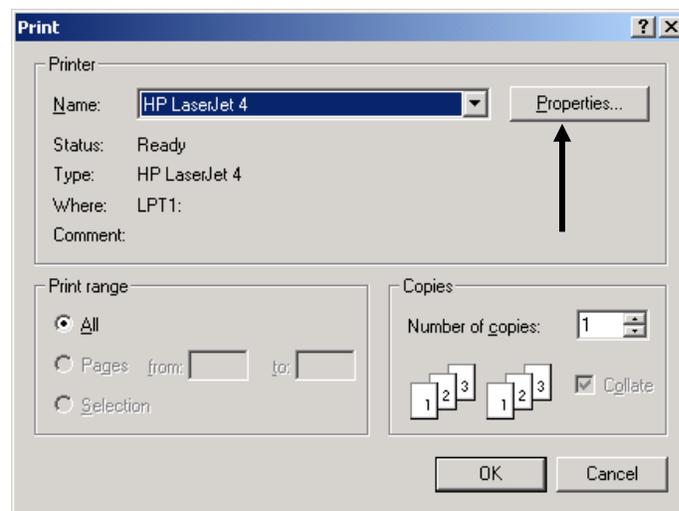

Recommendation: You should change the format of the printout from *Portrait* to *Landscape* to print all the columns on the same page.

Steps

To change the print format, follow these steps:

Step	Action
1	Click the Print button on the View Prosthetics Billing Information window.
2	Click the Properties button (to the right of the Name field) on the Print dialog box. Continue to the next page. Shortcut: Press the <Alt> key + <P> key.

Print dialog box

Continued on next page

Print the View Prosthetics Billing Information Window, Continued

Layout Tab

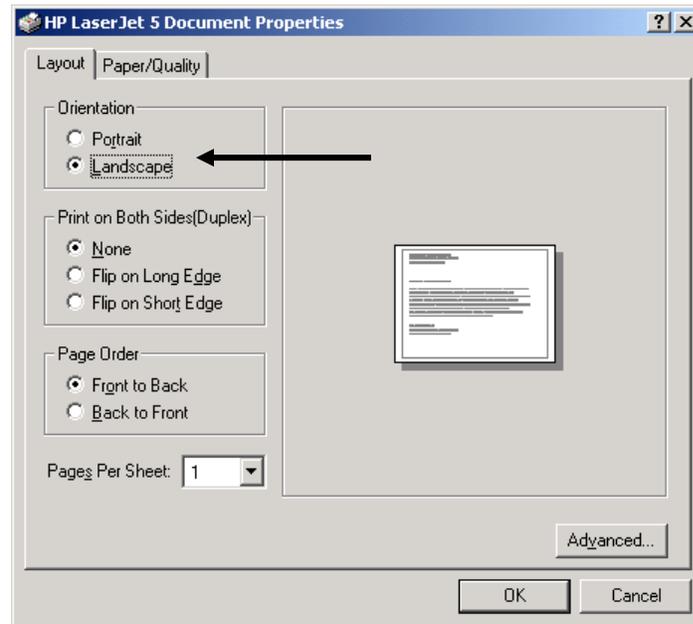

You can change the format of the printout from the standard *Portrait* format to *Landscape* on the **Layout** tab.

Steps (continued)

To continue to change to the Landscape format, follow these steps:

Step	Action
3	Click the Layout tab on the Properties dialog box (usually shown as a default view).
4	Click the Landscape radio button to change the format. Shortcut: Press the <Alt> key + <L> key.
5	Click OK or press <Enter.>

Landscape Radio button

Last step

When you return to the **Print** dialog box, click **OK** again, and it will print your output. You can print multiple copies if necessary.

Section 5 – Saving

Save as an Excel File

Excel Button

Click the **E**xcel button on the **View Prosthetics Billing Information** window to launch Excel and display the current data. (You can also click the **F**ile menu and select the **E**xcel option.)

Shortcut: Press the <Alt> key + <X> key to launch MS Excel.

Note: This feature creates a temporary Excel .CSV file in the folder selected. The default folder is C:\ViewBillingDownload (which is automatically created). The file name is based on the date range.

Example: Jul 02, 2006_Aug 10, 2006.csv

Prior to the display, you are notified that the information about to be exported may contain Patient Identifiable Information.

Steps

To export data to Excel:

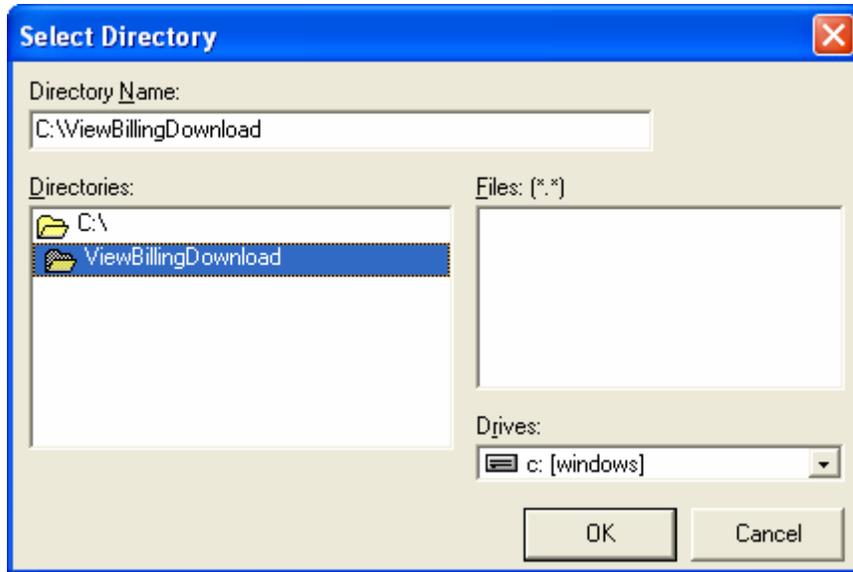

Step	Action
1	Click the E xcel button on the View Prosthetics Billing Information window. Shortcut: Press the <Alt> key + <X> key.
2	Click the O K button on the security reminder.
3	Continue to the S elect D irectory window.

Security Reminder

Step	Action
4	Navigate to the desired directory and select O K .(Click C ancel to exit or H elp to view the help pages associated with this functionality)

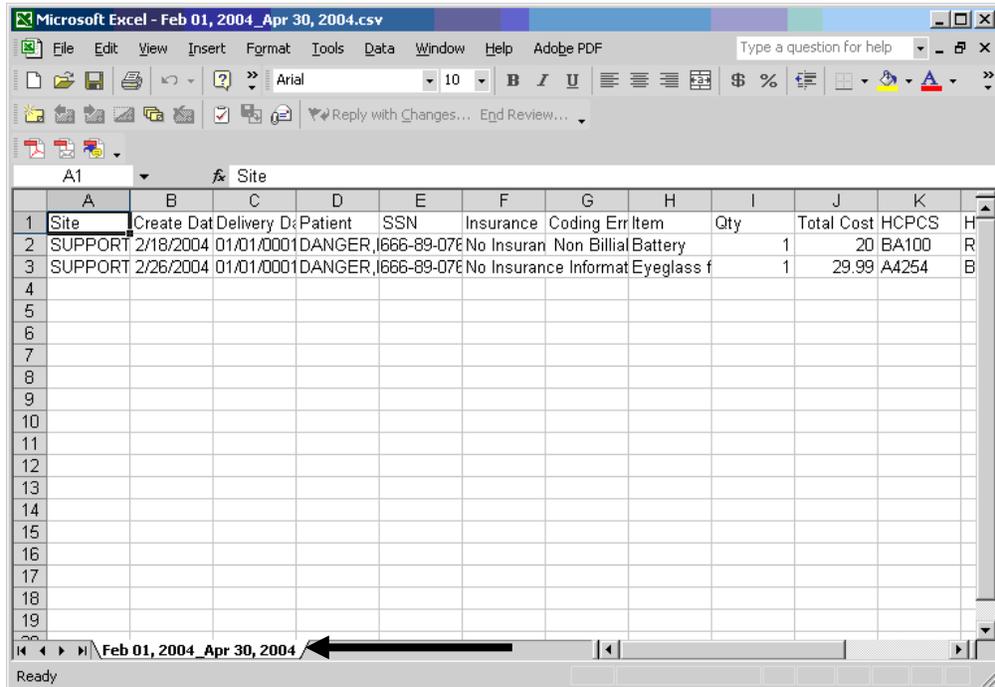

Select Directory

Step	Action
5	Navigate to a secure location where the temporary Excel (.csv) file will be stored and then select OK . Excel will open and display the data.

Cont'd.

MS Excel data

Step	Action
6	<p>This is only a temporary file so if you wish to save the data you must select File, then Save As, then change the name of the file.</p> <p>Note: To save the file, you must change the filename from the default. If you accept the default file name, it will be deleted when you close the NPPD window.</p>

Temp file location

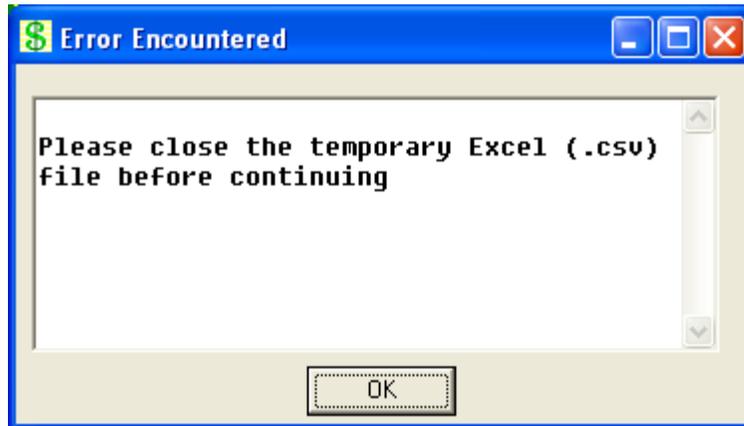

Should you wish to check the location of the temp file, it displays on the View Prosthetic Billing window right above the Excel button.

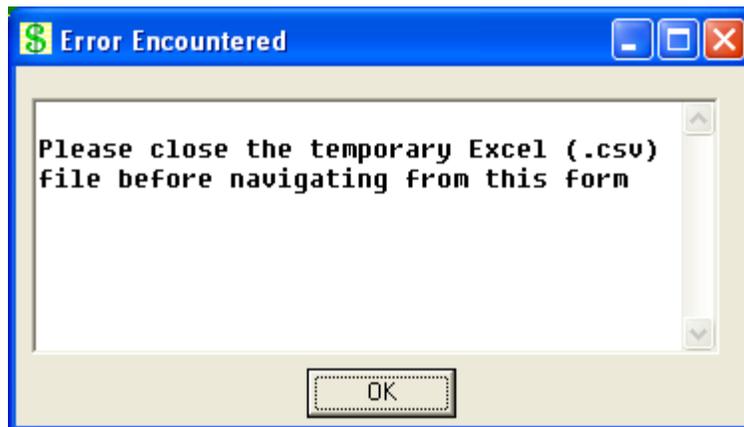

****Note****

You will be unable to export another report to Excel or navigate away from the View Prosthetic Billing Information window until the current Excel (.csv) file is closed. Attempting to do so without first closing the file will result in one of the following errors depending on what action has taken place. If you do save a file with Patient Identifiable Info in it, don't forget to delete it when you no longer need it.

Attempting to Open another report with temp file still open

Attempting to navigate away from the View Prosthetic Billing Information window with temp file still open

Section 6 - Closing and Exiting

Exit the View Prosthetics Billing Information Window

Exit the Application

You can exit the application by first clicking the **Menu** button on the **View Prosthetics Billing Information** window. Then click the **Close** button on the **Main Prosthetics** window:

Confirmation window

Cancel button

If you click the **Cancel** button, you will remain in the application and can continue to work.

Appendix A

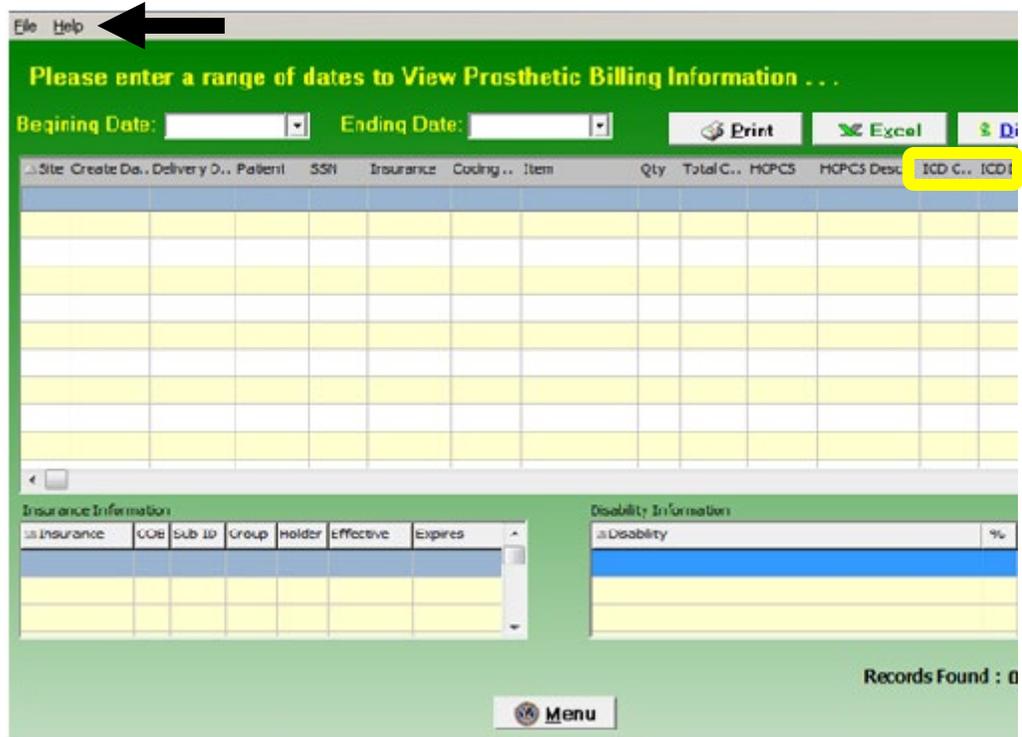

Getting Help

F1 Key

Online Help can be accessed in three methods:

1. Click the **Help** Menu (located in the upper left corner of the menu bar) and the **Contents** option.
2. Press the <F1> key.
3. Press the <Alt> key + <H> key. (This activates the **Help** Menu, not the Billing contents.)

Help Menu

Appendix B

Activate Section 508 Assistance

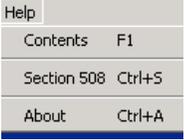

Introduction

You can change the colors of the screen to black/white, which is required for Section 508 requirements to be read by visually and hearing impaired veterans.

This feature can be updated from the **Help** Menu. It provides a toggle to go back and forth between using the colors or the black/white screens depending on your needs.

Steps

To activate the Section 508 assistance, follow these steps:

Step	Action
1	Click the Help Menu, and click the Section 508 option.  Shortcut: Press the <Ctrl> key + <S> key.
2	Click OK on the confirmation message dialog box as shown below.
3	Click OK again to exit out of the system and restart to activate the changes.
